MEMORANDUM FOR: Director of Central Intelligence

SUBJECT : USSR Monthly Review, May 1982 - "The
Military-Industrial Complex in the
USSR"

1. Here is a copy of the USSR Monthly Review, May 1982, just published, which we mentioned to you in our conversation yesterday. Some of its material is incorporated in the NIE 11-12 series, but the approach of these articles is fresh, pointed, and crisp.

2. We think they--or some abbreviated substance--deserve more distribution at policy levels than this monthly periodical may afford.
